4-H Membership enrollment has changed websites. Check out the next page for information concerning the new URL, enrollment process and payment options.
ONLINE 4-H MEMBER ENROLLMENT

4-H Member Enrollment will be done online again this year but with can begin enrollment and re-enrollment on October 10.

Please wait until this date to enroll. The Club with the most member re-enrollments by November 15 of current members will receive a pizza party.

All new and re-enrollment will need to be completed online at http://v2.4honline.com. The old URL website will not work to enroll for 2020-2021.

MEMBERSHIP ENROLLMENT FEE AND PAYMENT PROCEDURES

Remember the State 4-H Office has a $15 per member fee. At the end of each 4-H’er enrollment there will be a screen concerning the fee and payment options. Options on the screen will include: Debit/credit card, check, coupon and waiver. If you have more than one child and do not want several debit/credit card transactions you will need to indicate check or coupon otherwise each will be it’s own transaction. A second transaction does not always go through as it might be considered as a fraudulent transaction. The enrollment fee can be paid through the Extension Office this year, but you will need to indicate payment by check. You can also still pay with a credit card if you prefer. If your club is paying for member’s enrollment the office has a county coupon to use when enrolling. Indicate payment by check and the office will insert coupon prior to approval after club payment is received in the office. Club will need to pay 4-H Council for reimbursement.

If your family is paying the fee, you can also use a coupon by indicating payment by check. You can pay the Extension office and we can insert the coupon code prior to approval Office.

Participation Forms are completed during enrollment online as you have done previously.

Enrollment will not become active until approval by our county and state 4-H office. If you have any questions, please contact the office. There are instructions on our website for re-enrolling.

It is very important to keep your phone numbers current and list your service provider in the online system. This is our means of communicating with you if you want to receive text messages and phone calls. Also if you would like your kids to receive the newsletter by email, list their email address in the individual profile information. This will allow 4-H’ers as well as families to receive newsletters.

If you can’t recall which email address you used to set up your account, give us a call or send us an email and we will help you out. Do NOT create a new family account. If your password doesn’t work, you will need to reset it.

All State 4-H Projects will be listed this year in the online enrollment. A complete list of what projects Ford County offers can be found on our website. You can only enroll in projects available due to instructor restrictions for some projects — example some shooting sports disciples. If you are not sure, check with us.

The Exchange program is designed to help youth gain more independence, a greater appreciation for other parts of the state and country, news friends and new experiences. It is a two year commitment and we suggest you enroll in the Self Determined project. Youth must be 12 and older to be an Ambassador and 14 and older to be involved with the State to State Exchange. Call Ethel if you would like more information.

The 4-H Exchange Flea Market will be held on October 24 from 9:00 am-1:00 pm. Contact the Extension Office if you are interested in a booth or come to shop and support the Exchange program!

EXTENSION ANNUAL ELECTION MEETING

The Ford County Extension Program Development Committee Election meeting will be held on Saturday, October 24 from 9 am to 12:00 pm. at the Ford County Fair Building, 901 W. Park Street, Dodge City during the Flea Market.

48 HOUR CHALLENGE

48-Hours of 4-H challenges club members to explore their service capabilities and take part in a service project. It does not have to be the last weekend of National 4-H Week, but it is encouraged.

Ford County 4-H Clubs are encouraged to participate by doing their own individual service projects. Let us know your project and we can report it to the state.

♦ Lucky Clovers 4-H Club is having a Coat Drive on Saturday, October 10, 10 am—1 pm at Beauty Villa in the Gibson Mall. If you have any clean, gently used coats, feel free to drop them off.

TRACTOR SUPPLY PAPER CLOVER CAMPAIGN

Each Spring and Fall, Tractor Supply will help raise money for 4-H programs with the Paper Clover Campaign, a national in-store fundraiser that benefits 4-H programming. The Fall campaign dates are Oct. 7 – Oct. 18. We encourage you to participate at our local Tractor Supply Co. store during Paper Clover and donate.

4-H CLUB OFFICER TRAINING

All newly elected officers are invited to attend a Virtual Officer Training workshop. You will have the opportunity to learn about teamwork, duties of your respective offices, and the responsibility of serving as an officer for your club. An email will be sent with specific dates for this virtual training. Members will need to register for this jam-packed training so we can send out the zoom link. Training will be approximately one hour long. There will be a session for Community Leaders so we hope community leaders will plan to attend.
PROJECT SELECTION

It is very important to sit down as a family to select 4-H projects for the upcoming year. **4-H IS A FAMILY AFFAIR**, so time required, costs involved, parental help, etc. should all be carefully considered when selecting projects. It is usually recommended to take only a few projects. A 4-H project is designed to encompass the entire 4-H year, including project meetings, special events/contests, individual time, fair exhibits, record books, etc. We have project selection guides available in the office if you’d like to learn more about the different projects offered.

County Wide Project Leaders & Volunteers!

The Ford County 4-H Program is always looking for County-wide project Leaders who will share their expertise, time and effort with our 4-H’ers. If you know of anyone who wants to get involved with the 4-H Program, please have them contact the Extension Office! Project Leaders give our members an extra ‘edge’ in their 4-H Experience!

County Wide Project leader will be listed in future newsletters as they are confirmed.

The 4-H Dog Action Team is currently working to finalize plans for registration which will open soon. Registration will be free for the virtual event. Pre-registration will be requested to allow speakers to prepare and so we can get needed information to participants. During registration youth may choose to take part in a 4-H Dog Quiz Bowl which will be done on an individual basis instead of the traditional team quiz bowl.

Participants in the event will have the opportunity to engage with experts on dog care and training through live presentations and question and answer sessions. Content will also be available in recorded form after the event.

Take time out of your day to say thank you in person if you go into any business that supports our 4-H Program as it would not exist without them!

NEWS

Project Record Report Form To Replace KAP Form

After piloting a new Project Record Report Form with 10 units (comprising of 26 counties) the 4-H KAP Revision Taskforce is excited to announce the launch of a new project-based record keeping and award system for the 2020/2021 4-H program year. This means that for the new 4-H year beginning on October 1, 2020, Kansas 4-H members will no longer use the KAP forms.

The new system is designed to emphasize project learning and growth and resembles more of a record than an award application, while also developing career readiness skills. The Taskforce is finalizing the records for the upcoming year and forms will be available soon.

Couple of highlights:

- At the local level, 4-H members will submit a project record report form for each project. The report form includes project reflection and photos.
- There are 2 versions of the project record report form. An animal form and a general project form. There are also 3 age versions of each form, one form for juniors age 7-9, one from for intermediates 10-13, and one form for seniors 14-18.
- At the regional level, the top local senior 4-H member in each project area will submit their project record report form, as well as a cover letter and resume.
- At the state level, the top 2 senior 4-H members from the regional screening in each project area will submit their project record report form, cover letter & resume and video submission.

We will be rolling out the new forms, an instructional guide, evaluation rubric and dates for trainings for 4-H members, parents and leaders in the next few months.

Any 2019/2020 KAPS selected within the county for Area and State Judging will conclude the use of the KAP forms.

At this time, the Personal Page and Permanent Record will still be the same forms presently being used.
Dear 4-H Families,

Happy 4-H New Year!

Can you believe it is already October? These last few months might have been challenging, but you continued to excel and “made the best better!” We have adapted to online club meetings, we rocked a hybrid fair, we exhibited state fair static exhibits virtually, and we have survived record books.

Let’s start this new year off right and try to get more youth to join 4-H in Ford County. Invite your friends to your next club meeting. Promote 4-H online. Share why you like 4-H. The opportunities are endless!

This newsletter is jam packed with information about upcoming opportunities. Be sure to read it carefully and call the office if you have any questions.
