Increasing practical skills for the calving season

Dr. A.J. Tarpoff, K-State Extension
Beef Veterinarian

- Increase number of live calves born when assistance is needed
- Tips on when & how to intervene
- Assisting cows versus first-calf heifers
- Demonstrate proper use of calving equipment on life-size scale

Dr. Justin Waggoner, Southwest
Extension, Beef Systems

- Does your supplementation program fit your situation and your cows

Dr. Jodi Pitts, Santa Fe Trail Vet Clinic

- Proper administering and handling of vaccinations and medications
